## Software

React / React Native / Vue

Node js / Django

MongoDB / PostgreSQL / MySQL

JavaScript / C++ / Python / Java

Docker / CI / CD / AWS

Data Structure & Algorithms

DBMS

Object Oriented Programming

Android Development

## Skills

Best practices

Software Development

Research

Automated Testing

Software design

Passion for continuous learning

Communications

Team collaboration

## Languages

English

Hindi

- Winner of Microsoft HackDay 2019
- Hack By The Beach Hackathon second runner up (1.5K+ participants)
- Flipkart Grid 2020 Qualifiers Rank 19 (22k+ participants)
- Teaching Assistant, Introduction to programming at BITS GOA (Jan 2020-May 2020)
- CTE Instructor (Center for Technical Education BITS GOA)

## Projects

---

- **lifeMaxx for IBM Call for Code - Disaster Management Portal**

<https://bp-gc.in/lifeMaxx>

Developed the one-stop portal to manage all disaster using React js Node.js MongoDB and deployed on Heroku and IBM Cloud.

- **SPREE Website (India's largest intercollegiate sports fest)**

<https://bp-gc.in/spree>

Developed the full website of Sports Festival of BITS Pilani GOA Campus SPREE using React, Node.js, MongoDB and Google sheets API. This site has more than 20K visits/month.

- **lifeMaxx ( Startup to provide Web Services )**

<https://bp-gc.in/lifeMaxx>

Built complete website for the startup lifeMaxx aimed to provide web services to business and implemented SEO to achieve 90+ score in Google LightHouse Score and to make it a top web design business in GOA's Google results.

- **Course Load for AUGSD ( Academic Under Graduate Studies Division )**

<https://bp-gc.in/AugsdCourseLoad>

Built a complete portal for department HODs and faculties to register for courses every semester and automatic allotment of slots. This reduced the time for the whole process by 80% and also streamlined the whole process. Tech used were React, Django, SQL, pandas.

- **Short-Me ( URL Shortener )**

<https://bp-gc.in>

Worked on a URL Shortener in DevSoc which is getting used by all departments and hundreds of students of BITS GOA. It helps in distribution of links to registration forms and events in bits Goa in a more legible and concise manner
